

**A Quick Guide to the  
Government of India's New Guidelines and  
Training Package for Comprehensive Abortion Care**

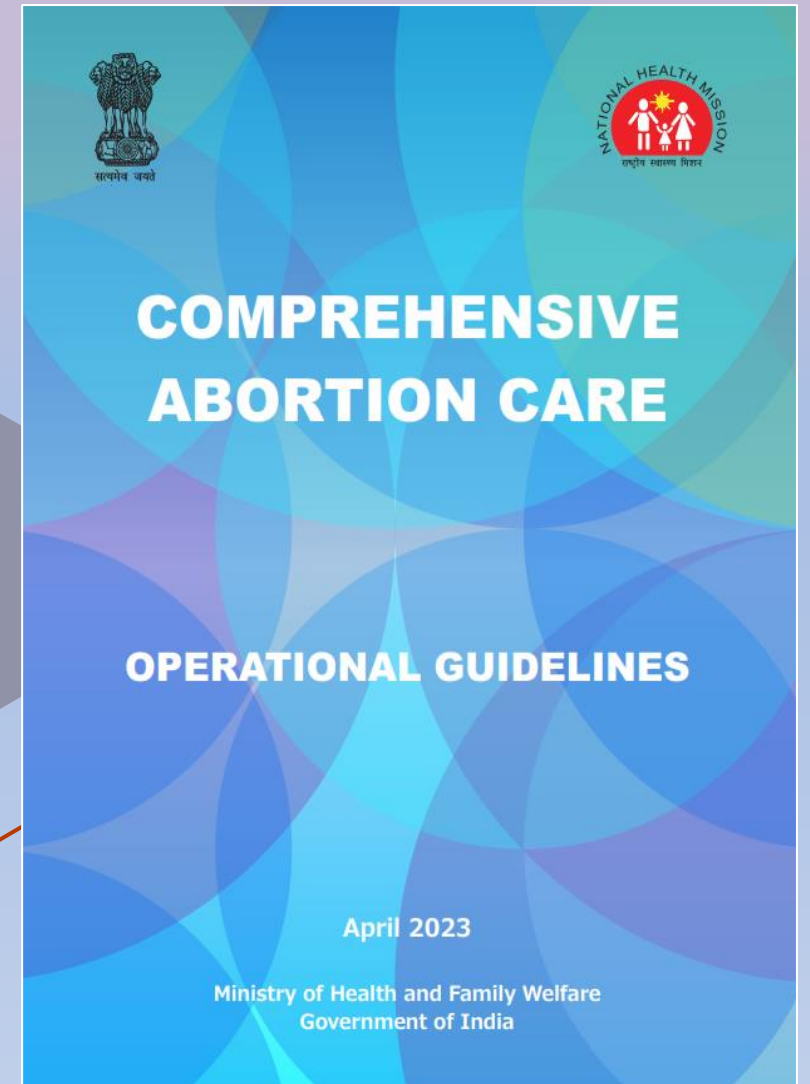

# CAC Training and Service Delivery Guidelines

These guidelines aim to equip program managers with information to plan and implement quality CAC services. It includes updated information such as new indications for pregnancy termination, the establishment of Medical Boards, revised documentation/reporting formats, and norms for capacity building of service providers especially for medical methods of abortion.

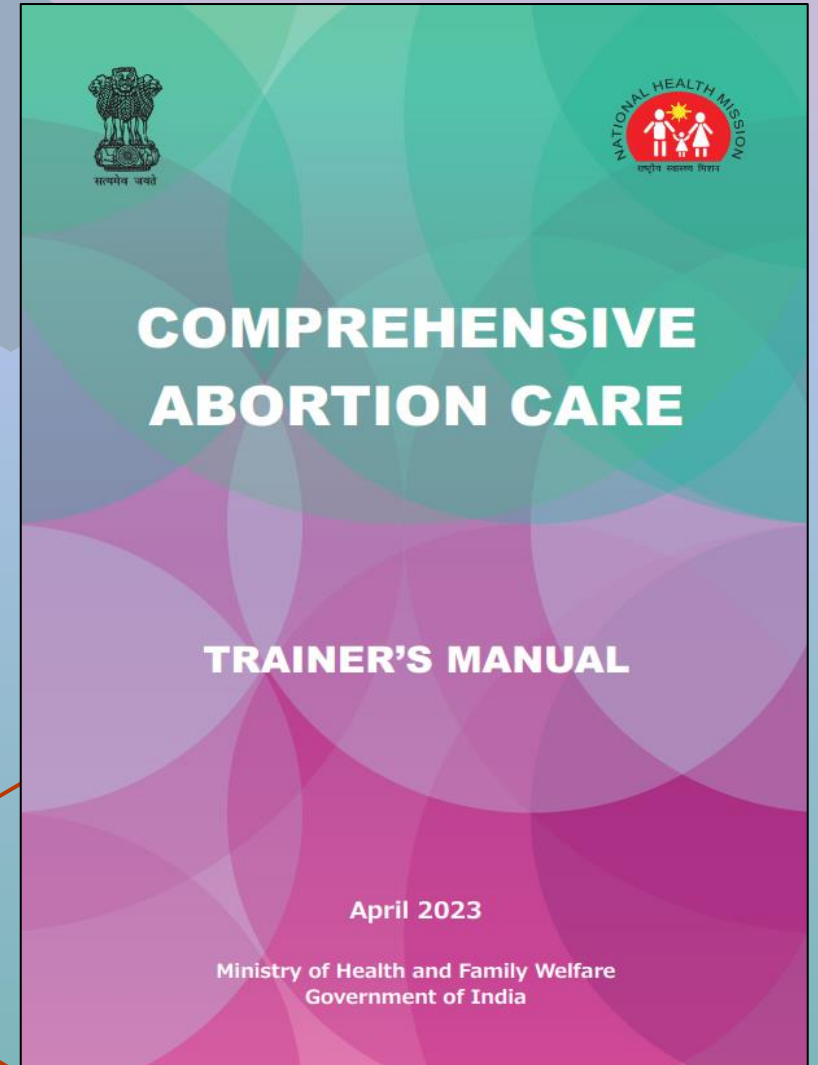

# CAC Operational Guidelines

This is a guide for program managers and service providers for providing woman-centered comprehensive abortion care at public health facilities within the framework of the MTP Act. The main goal of these guidelines is to standardize and monitor the provision of abortion care services at different levels of facility.

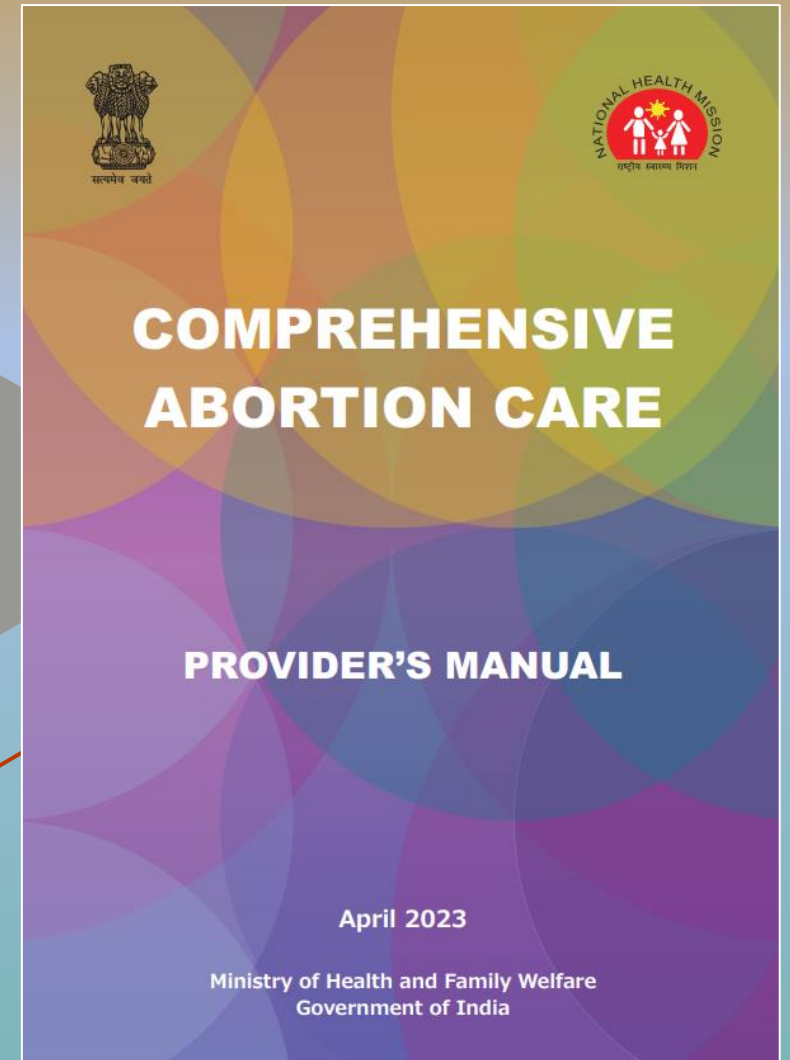

# CAC Trainer's Manual

This trainer's manual is designed for healthcare professionals involved in conducting CAC trainings. It provides a consistent and standardized approach to training and aims to equip trainers with the necessary knowledge and skills to effectively deliver abortion care services. This manual covers both clinical and non-clinical aspects of CAC training, ensuring that trainers are well-prepared to address all aspects of abortion care.

# CAC Provider's Manual

This is a comprehensive guide for healthcare providers, offering necessary guidance to deliver safe and high-quality abortion care services. It covers essential topics including abortion scenario, reproductive rights, legal considerations, counseling skills, clinical assessment, MMA, infection prevention, and more. This manual aids providers to enhance knowledge and skills to provide compassionate care while prioritizing women's well-being and autonomy throughout the abortion care process.
